Dedication

Mr. Brian Kelson

Brian has worked at MSSD for four years and in just that time, he has inspired so many students with his humor and openmindedness. He radiates positive vibes and is such a big help to our community. He provides excellent advice to students and often tells stories that make the students and other staff laugh out loud. At times, Brian's expressions alone are enough to make us laugh. His time here as a residential educator shows how much he cares about us and our community. No doubt, he will inspire current and future students to succeed. The Class of 2019 wants to thank Brian for his contributions to MSSD and for everything he did to make us feel like one big family.
